3.4.1-5. Design of Museum at District court Sangli

The students of Appasaheb Birnale College of Architecture, Sangli, along with the guidance of their teachers, have provided design solutions for a museum project at District and Session Court Sangli. The project aimed to provide a comprehensive design for the museum, taking into account the historical and cultural significance of the region. The students were given the opportunity to work on a real-world project, which allowed them to gain practical experience and develop their skills. The design solutions provided by the students were innovative and met the requirements of the project. The project helped in promoting the importance of preserving cultural heritage and the role of architecture in achieving this goal.
