## **Knowledge Exchange Program between Dnyandeep Education & Research Foundation**

- Abca Sangli and Dnyandeep Education & Research Foundation have entered into a Knowledge exchange program for a joint project in IT and green building. This exchange program aims to provide students with hands-on experience in designing and developing sustainable and energy-efficient buildings using IT. Students from Abca Sangli and Dnyandeep Education & Research Foundation will work together on joint research projects, attend seminars and workshops, and participate in joint training programs related to IT and green building. The partnership seeks to create a platform for networking and collaboration between students, researchers, and industry experts in the field of green building and IT. Overall, this exchange program will equip students with the skills and knowledge necessary to create sustainable and energy-efficient buildings using IT.

## Knowledge Exchange Program between Dnyandeep Educations & Research Foundation

## Internship Program

- An internship program in B.Arch. provides students with an opportunity to gain practical knowledge and hands-on experience in the field of architecture. Students work under the guidance of experienced architects and learn about various aspects of the profession such as design, drafting, project management, and client communication. The program also helps students to develop their technical and soft skills and gain exposure to the industry. Overall, an internship program in B.Arch. is an excellent way for students to supplement their theoretical knowledge with practical experience and prepare themselves for a successful career in architecture.

## **MoU between Polyedge Consultancy & ABCA Sangli**

- Abca Sangli and Polyedge Consultants have collaborated to organize conferences, workshops, seminars, and guest lectures, starting from 23/03/2019 and lasting for five years. This collaboration aims to provide students and faculty members at Abca Sangli with opportunities to interact with industry experts and gain valuable insights into various fields. Polyedge Consultants will bring in experts from different industries to share their knowledge and experience through workshops, seminars, and guest lectures. The collaboration also aims to provide a platform for networking and collaboration between industry professionals and students/faculty members. Overall, this partnership seeks to enhance the learning experience of students and faculty members at Abca Sangli and equip them with the skills needed to succeed in their respective fields.

**Field Visits with Industry Experts taken under this MoU.**

## **“Universal Design Approach in Architecture” Seminar and Hands on Experience under this MoU**

Universal Design is an approach to designing buildings, products, and environments that are accessible and usable by all people, regardless of their age, size, ability, or disability. The goal of Universal Design is to create spaces that are inherently inclusive, so that everyone can use them independently, comfortably, and safely.

The principles of Universal Design include equitable use, flexibility in use, simple and intuitive use, perceptible information, tolerance for error, low physical effort, and size and space for approach and use. These principles are applied to every aspect of design, from the layout of rooms and furniture, to the lighting and acoustics, to the materials and finishes used. The benefits of Universal Design are many. By designing for a wide range of users, designers can create spaces that are more efficient, flexible, and adaptable. Universal Design can also improve safety and reduce the risk of accidents or injuries. Additionally, it can increase the value of a property by making it more appealing and accessible to a wider range of people. Overall, Universal Design is a proactive approach to designing spaces that promote inclusivity, accessibility, and equality. By incorporating Universal Design principles into every aspect of a building or product, designers can create spaces that are welcoming and functional for everyone, regardless of their abilities or limitations.
